

Dr. Caleb Ng, BSc, ND

Dr. Ng received his Bachelor of Science Degree from the University of Waterloo. He then graduated from the Canadian College of Naturopathic Medicine in Toronto. Dr. Ng is licensed by the College of Naturopathic Physicians of British Columbia and is Board certified in Chelation and Intravenous Therapies and Acupuncture. Dr. Ng has also completed additional training and certification in Prolotherapy through the University of Wisconsin Medical School and the Hackett Hemwall Foundation. Dr. Ng is a member of the British Columbia Naturopathic Association and the College of Naturopathic Physicians of British Columbia.

Dr. Ng's focus is primarily on Men's Health, Chronic Pain and Cancer. Men's health issues that he has been addressing include prostate conditions, erectile dysfunction, hypertension, snoring, obesity, and diabetes. Dr. Ng may employ prolotherapy, acupuncture, electroacupuncture, laser acupuncture, trigger point therapy, therapeutic ultrasound, therapeutic interferential current, deep tissue work, natural anti-inflammatories, or a combination of any of the above. Chronic pain conditions that Dr. Ng has treated include fibromyalgia, whiplash injuries, chronic fatigue, osteoarthritis, rheumatoid arthritis, traumatic arthritis, herniated disks, degenerative disk conditions, and old sports injuries. When it comes to early detection or monitoring of cancer, Dr. Ng may implement the use of diagnostic tests such as AMAS testing to test for early signs of malignancy and MSA testing for assessment of breast cancer risk.
