

Dr. Galina Bogatch, MD(UA), ND

Dr. Bogatch graduated from Lviv Medical School in the Ukraine and completed fellowships in Cardio-rheumatology, Laboratory and Functional Diagnostics of Cardio Vascular Disease, and Clinical Arrhythmology. She practiced Pediatric Cardiology for 8 years before coming to Canada and attending the Canadian College of Naturopathic Medicine. She now practices as a licensed Naturopathic Physician in British Columbia. She is also board certified in Chelation and Intravenous therapies (including Intravenous Vitamin C) as well as Acupuncture. She is also an Active member of the American College for Advancement in Medicine (ACAM) and Board certified by ACAM to practice Mesotherapy.

Dr. Bogatch incorporates naturopathic principles and philosophy into Anti-aging Medicine and Preventive Medicine. Her experience as a medical doctor in the Ukrainian medical system has allowed her to integrate naturopathic treatments with conventional medications to the benefit of her patients. Dr. Bogatch's focus of practice is in cardiovascular disease and stroke prevention, endocrinology and metabolic syndrome, anti-aging and restorative medicine, mesotherapy for aesthetics and pain management, allergies and nutrition, environmental and heavy metal detoxification, intravenous and chelation therapies.
